

# NEW from kwib.

**All-rounder/multi-tool accessories  
suitable accessories for sawing, milling,  
grating, scraping, grinding**

### CRV plunge-cut saw blade for wood

★★★★★

Cuts wood up to 28 mm (10 mm), 48 mm (22 mm, 34 mm) for wood, gypsum cardboard and soft fabric. Easy plunging into the material at any position, for cutting into wood, slabs, laminate, parquet, plastic.

E.g. plunge cutting into kitchen countertops for air grilles, in cabinets or gypsum board for access to power outlets without any problems.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
709140	Plunge-cut saw blade for wood, 10 mm		1	10			
709142	Plunge-cut saw blade for wood, 22 mm		1	10			
709144	Plunge-cut saw blade for wood, 34 mm		1	10			

### Bi-metal universal plunge-cut saw blade for metal and wood

★★★★★

Cuts coated wood up to 50 mm. Easy plunging into the material at any position, for cutting into plastic, glass fibre, sheet metal up to 2 mm, copper pipes, aluminium pipes and profile sections.

E.g. flushed cutting-off of protruding nails from wood or copper pipe from the wall. Trouble-free trimming of door frames when installing laminate flooring and parquet. Smooth plunge-cutting into kitchen countertops for air grilles, in cabinets or gypsum boards for access to power outlets. Effortless cutting into glass fibre for boat building or into plastic elements. Easy cut-outs in thin metal sheets and non-ferrous metals.

**HM saw blade, semi-circular, 85 mm**

★★★★

*mills joints of tiles with a cutting width of 2.2 mm up to a cutting depth of 85 mm. Ideal for working into the corners, plunging into the material and working on flush surfaces.*

E.g. for detaching damaged joints for tiles or replacing a damaged tile, milling of grooves in sand-lime brick or aerated concrete for cable ducts or milling of pipes for concealed wiring.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
709542	Saw blade, HM, 85 mm		10	10	 4 009317 095422		

### Diamond saw blade, semi-circular, 65 mm

Mills joints of tiles with a cutting width of 1.3 mm up to a cutting depth of 12 mm. Ideal for working into the corners, plunging into the material and working on flush surfaces

E.g. for detaching damaged joints for tiles or replacing a damaged tile, precise cutting of small apertures in soft tiles for pipe connections or corners, milling of grooves in sand-lime brick or aerated concrete for cable ducts or milling of pipes for concealed wiring.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
709546	DDiamond saw blade, 65 mm		10	10	 4 009317 095460		

### HM rasp, Delta, 80 mm

Rasps and removes mortar, tile adhesive and carpeting residues. Also for rough grinding and planing of spattling compound, tile adhesive, concrete, stone, wood. .

E.g. for removing the mortar or tile adhesive from damaged tiles, glued carpeting residues or rough grinding of concrete, stone and wood.

Can be used for surfaces into any corner, narrow clearances and edges. Suitable for use with machines with and without dust extraction.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
709544	HM rasp, Delta, 80 mm		10	10	 4 009317 095446		

### Scraper, hard

For scraping of hard materials such as mortar, tile adhesive, concrete residues or solid residual glue on small surfaces.

E.g. removal of residual tile adhesive for touch-up work, concrete and mortar residues for masonry work, residual glue from carpeting removal or removal of old varnish and underfloor coating.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
709640	Scraper, hard		10	10			

### Scraper, flexible

For scraping of soft materials, silicone or acrylic joints, residual glue from stickers, paint residues..

E.g. removal of residual glue from carpeting, which sticks on soft-foam carpet back, old or damaged silicone or acrylic joints or loose shreds of paint from wood and metal.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
709642	Scraper, flexible		10	10			

### Carrier plate, Delta stick backing pad, 93 mm, perforated

★★★★

Quick and easy exchange of sandpaper with extraction, grinding fleece or felt polishing discs with the QUICK-STICK hook-and-loop adhesion..

#### Suitable accessories in the kwib product range:

Diamond spar abrasive paper for wood and metal grinding in different grain sizes

"Silberschliff" abrasive paper with anti-clog coating for wood & lacquer

Grinding fleece to mattify materials and smoothen wood fibres

Felt polishing disc to polish wood, metal, non-ferrous metal

Item-No.	Description		Box qty.	Outer cart.	Barcode		
709940	Carrier plate, Delta stick backing pad, 93 mm		10	10	 4 009317 099406		

### Tile repair kit, 3 items

★★★★

Universal use for tile and mortar repair or refurbishing work.

#### Includes:

65 mm semi-circular, coated with HM

80 mm Delta, coated with HM

65 mm semi-circular, coated with diamonds

E.g. replacement of damaged joints for tiles or exchange of damaged tiles, precision-cutting of small cut-outs in soft tiles for pipe connections or corners, removal of mortar or tile adhesive for damaged tiles, grinding of glued carpet residues or rough pre-grinding of concrete, stone and wood.

Milling of grooves in sand-lime brick or aerated concrete for cable ducts or milling of pipes for concealed wiring.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
708600	Tile repair kit, 3 items		10	10	 4 009317 099406		

### Floor and installation kit, 4 items

Universal use for wood and repair work.

**Includes:**

- 87 mm semi-circular HSS saw                      22 x 48 mm metal saw blade BIM
- 28 x 48 mm wood saw blade CRV                26 x 52 mm scraper

E.g. clean cutting of parquet, laminate or sound-absorbing slabs, exact, flush trimming of door frames for parquet installation, trimming of aluminium connector bars, flushed cutting-off of protruding nails from wood or copper pipe from the wall. Smooth plunge-cutting into kitchen countertops for air grilles, in cabinets or gypsum boards for access to power outlets. Effortless cutting into glass fibre for boat building or into plastic elements. Removal of old putty in window frames without any problems. Easy cut-outs in thin metal sheets and non-ferrous metals. Removal of residual tile adhesive for touch-up work, concrete or mortar residues for masonry work, residual glue from carpeting removal or removal of old varnish and underfloor coating.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
708800	Floor and installation kit, 4 items		10	10			

### OMT Universal adapter

Using the universal adapter, the kbw all-rounder/multi-function accessories fit to many customary multi-cutters, all-rounders or multi-purpose tools.

The universal adapter can be used for the following electric appliances:

- Bosch PMF 180 E, GOP 10.8 V-Li, EINHELL RT-MG 200 E RED, RT-MG 108 Li RED, BT-MG 220 E, BT-MG 180, DREMEL Multi-Max, ERGOTOOLS Plattfield E-MG 250 E, LUX TOOLS AMF 12 Li, Mac Alister MMT108, PARKSIDE, FEIN Multimaster Ø 10 mm, Rockwell/Works Sonicrafter, Craftsman Multi-Tool, Mastercraft Multi-Cutter

Item-No.	Description		Box qty.	Outer cart.	Barcode		
708700	OMT Universal adapter		10	10			

**Universal kit, 17 items**

Can be used for all kinds of wood, grinding and repair work.

**Includes:**

- 87 mm semi-circular HSS saw
- 28 x 48 mm wood saw blade CRV
- 93 mm stick backing pad
- 6 pc. stick pads wood & lacquer
- 22 x 48 mm metal saw blade BIM
- 26 x 52 mm scraper
- 6 pc. stick pads wood & metal

E.g. clean cutting of parquet, laminate or sound-absorbing slabs, exact, flush trimming of door frames for parquet installation, trimming of aluminium connector bars, flushed cutting-off of protruding nails from wood or copper pipe from the wall. Smooth plunge-cutting into kitchen countertops for air grilles, in cabinets or gypsum boards for access to power outlets. Effortless cutting into glass fibre for boat building or into plastic elements. Removal of old putty in window frames without any problems. Easy cut-outs in thin metal sheets and non-ferrous metals. Removal of residual tile adhesive for touch-up work, concrete or mortar residues for masonry work, residual glue from carpeting removal or removal of old varnish and underfloor coating. Grinding work for wood, varnish, mattifying and smoothing of wood fibres, polishing of wood, metal and non-ferrous metal.

Item-No.	Description		Box qty.	Outer cart.	Barcode		
708900	Universal kit, 17 items		10	10			

Japanese tothing

**CV plunge-cutting sawblade with Japanese tothing**

For especially clean and fast cuts up to a depth of 48 mm (34 mm width) into hard wood, soft wood, plasterboard, laminate, parquet, plastic etc. Easy plunging into the material at any place.

E.g. plunge cuts without any problem in parquet floors, natural wood countertops for ventilation grilles, in cupboards or gypsum plasterboards for the access to electrical outlets.

Item-No.	Description		Box qty.	Outer cart.	Barcode
